Paperwork Inquiry

JUL 28 1955

Honorable Rowland H. Hughes
Director, Bureau of the Budget
Washington 25, D. C.

Reference: Bureau of the Budget
Bulletin No. 55-5, dated
March 4, 1955

Dear Mr. Hughes:

Part II of the Hoover Commission's Report on Paperwork Management has been reviewed, and we agree with its objectives.

We concur in the recommendation that the Bureau of the Budget, the Advisory Council on Federal Reports, and the General Services Administration give increased emphasis to protecting the public from unnecessary reporting burdens by patterning their activities after the methods successfully used by the task force to obtain cooperation between Government and industry.

The recommendation is not applicable to the Central Intelligence Agency, however, since we do not impose on private industry a reporting burden of the type studied by the Commission.

Sincerely,

151
